

MMIE 2020

MECHANICAL MANUFACTURING AND INDUSTRIAL ENGINEERING

OVERVIEW

August 26-28, 2020

Official Website:
WWW.MMIE.ORG

PHONE +86-139-8089-4300
EMAIL mmie@academic.net
LOCATION Hosei University, Tokyo, Japan

This is 2020 3rd International Conference on Mechanical Manufacturing and Industrial Engineering (MMIE 2020) conference committee. We are very pleased to tell you that MMIE 2020 will be held at Hosei University, Japan during August 26-28, 2020. The conference is Sponsored by Hosei University, Japan; Swinburne University of Technology, Australia and Beihang University, China.

Publication

IOP series

All submissions will be peer reviewed, and all the accepted papers will be published in the Conference Proceedings by IOP, Indexed by SCOPUS, Ei Compindex (CPX).

Submission

<http://confsys.iconf.org/submission/mmie2020>
mmie@academic.net

MMIE 2020 is now accepting manuscript submissions.
Full paper for publication and oral presentation;
Abstract for oral presentation Only;
Listeners are also welcome!
Submission Deadline: *April 25th, 2020*

COMMITTEE

Part of Committee

Conference Committee Chair

Prof. Alan Lau, Swinburne University of
Technology, Australia
Prof. Hideaki Tsukamoto, Hosei University, Japan

Program Committee Chair

Prof. Lihui Lang, Beihang University, China
Prof. Young Hoon Rim, Semyung University, Korea
Prof. Yong Suk Yang, Pusan National University,
Korea

SPONSORSHIPS

CO-SPONSORED BY

SUPPORTED BY

TOPICS

Dynamical Control Systems
Aerospace Systems and
Technology
Manufacturing Systems
Mechanical and
Manufacturing Engineering
Renewable and Non-
Renewable Energies
Computer aided
engineering design

PART OF THEM

Energy and Thermofluids
Heat and Mass Transfer
Information Processing and
Engineering
Control Engineering
Fuels and Combustion
Industrial Tribology
Machinery Dynamics
Solid and Fracture Mechanics
Advanced Product Design
and Development
